Original Marquees & Original Structures

£5,800

One coordinated project

Original Marquees £2,900

Wix Studio or Squarespace rebuild and light brand refresh. Up to 16 main pages plus customer access, agreed initial population and a careful WordPress/SEO migration. Both regional hubs, with valuable county and archive content retained.

Original Structures £2,900

A new Wix Studio or Squarespace site and digital identity. Up to 18 main pages plus customer access: five structure types, hire and sales, corporate/festival/venue audiences, services, projects and both regional hubs. Agreed initial population.

Both include three initial logo suggestions, reusable layouts, supported GoodEvent enquiries and one proposal template per brand, SEO and analytics setup, testing, two design review rounds per site, guides, one shared training session and 30 days of launch support.

To book: £2,900

£1,450 allocated to each website

Before joint launch: £2,900

£1,450 allocated to each website

Allow six to eight weeks, subject to access and content. Final payment follows approval of both builds. Third-party subscriptions and provider setup fees are separate and confirmed first. Enquiry-led; no e-commerce. Full scope is in the accompanying proposal.
